Sir:

I have the honor to transmit herewith the census for the Round Valley reservation and the several Rancherias under my supervision. This report is somewhat late for the reason that I had to depend on the day school teachers to take the census at the Rancherias, and they could not do so until after the close of their schools June 30th.

Then it took considerable time to make the copies and the necessary statistical reports in connection with the census. The work was done as soon as possible under the circumstances.

Very respectfully,

J. B. Wilson

Superintendent.
